

1.Its All About Fossil Fuels

2.Its All About The Economy

3.Bill Dies

## Vermont Total Energy Use by Sector

“You cannot simultaneously work for the end of oil while supporting the burning of oil”

*-based Einstein quote*

“I’ll gladly give you renewable energy Tomorrow if you burn oil today”

*-what Whimpy would say if he worked for Exxon Mobile*

---

“Support for the fossil fuel industry anywhere is a threat to the climate everywhere”

*-based on Martin Luther King quote*

# Oil offers a bridge to nowhere
