

LEGISLATIVE SESSION 2022

Transportation Innovation Act

Presented by Rep. Becca White

Priorities of the bill

TRANSITION TO ZERO EMISSIONS VEHICLES

Electric Vehicle incentive program funded, creation of EVSE rebate program for businesses, schools, and municipalities.

TRANSPORTATION EQUITY

Continued funding of the Mileage Smart, Replace Your Ride, and electric bike rebates.

INNOVATION & EFFICIENCY

Funding the Mobility and Transportation Innovation Grant program, requiring Transportation Demand Management strategies and additional staff added.

BIKE & PEDESTRIAN TRAVEL

Pedestrian Safety Pilot program. strengthening Complete Streets and bike ways on roads.

Funding Opportunities

Between the residual ARPA funding, the loss of TCI, the increase from the Infrastructure bill, and then declining gas tax revenue.. the funding picture for transportation is in a changing landscape.

Transportation Bill

This is a bill that is meant to be a "vehicle" for language to eventually go into the Transportation Bill, which is the annual budget bill for AOT.
