Check out GreenSavingSmart, a new financial and energy coaching initiative brought to you by the Vermont Community Action Partnership (VCAP). GreenSavingSmart helps Vermonters take control of their personal finances and decrease their carbon footprints. GreenSavingSmart coaches work one on one with you to help you reach your financial and energy goals through services like budgeting, savings, debt reduction, credit building, and energy program navigation. To learn more about program services and eligibility and to reach out to a coach, go to GreenSavingSmart.org or reach out to your local Community Action Agency.
