
Why Act 172?

— Rep. Laura Sibilia —

Problems we are trying to solve

- Rising energy costs global markets
- Climate is changing
- World is shrinking and digitizing
- Short term capacity does not exist at state level.-
some capacity exists on the ground
- How do we help all communities help themselves

Opportunities / obligations / examples

CUDS

GWSA

COVID recovery

Goals

- Increase community wide conversations about adaptation and resilience
- Create long term network for adaptation and sustainability work
- Reduce fossil fuel consumption
- Increase sustainability
